

FAS-TRAK

Innovative Performance Solutions

Easy as 1, 2, 3...

Our **SCALE AWAY** pad easily removes soap residues, greasy deposits and lime from sensitive surfaces, such as glass, stainless steel, tiles and ceramics. It has a unique grain mixture that enables scratch-free work on sensitive surfaces. And best of all, you only need water to get great results -

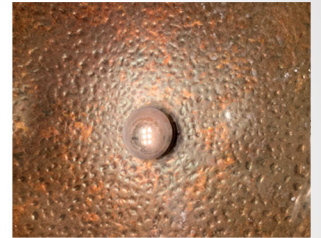

No chemicals necessary!

Step 1: Moisten pad with water

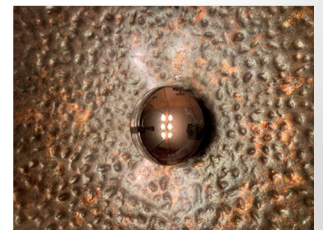

Step 2: Clean the surface with GRAY side of the pad!

Step 3: Dry with cloth

A Sink Before

A Sink After

Non-Toxic (Just Add Water)

Acid Free

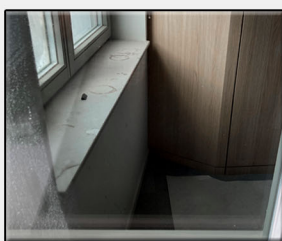

Safer

SCALE AWAY
